Spoken like a young man trying to get himself on the  
wheel  
My feet are forwards but I think I'm going backwards  
I'm still  
So far away from you  
I called my brothers on the phone just to say goodbye  
Cause I don't need another reason not to survive on my  
own  
I'm moving on from here

Then I realize that I'll be on my own tonight  
Shadows fold out like blankets on the ground

Run run rabbit run  
Just don't get caught out by the farmer and his gun  
Well hide hide rabbit hide  
It's best to lose yourself before you ever lose your  
pride

Spoken like a true man trying to make his way through  
the fields  
My back is heavy and my heart is feeling empty but still  
I'm so far away from you  
There's no use complaining to myself  
I made these shoes to walk in  
And they'll walk until the end

And then I realise that I will dream of you tonight  
Shadows fold out like blankets on the ground

Run run rabbit run  
Just don't get caught out by the farmer and his gun  
Well hide hide rabbit hide  
It's best to lose yourself before you ever lose your  
pride

Then I realize that I will dream of you tonight  
Shadows fold out like blankets on the ground

Run run rabbit run  
Just don't get caught out by the farmer and his gun

Well hide hide rabbit hide  
It's best to lose yourself before you ever lose your  
pride  
Just never lose your pride  
Just never lose your pride  
Oh, never lose your pride
