The sun rises in the east  
Then it sets in my heart  
Goodbye my love  
I told myself I loved you  
And again my heart it shivers  
And I know  
Help me believe my son  
That I don't need anyone anymore  
Ohhhh

Just tell me what is the way that you would take to hold  
onto  
'Cause I've been lost, I've been lost for so long

You've talked to me enough now take this pill  
'Cause I don't need to love to keep myself still  
But I'm still here for you  
So we just take off full speed ahead  
I don't think we need these paths  
Can you please just turn yourself away from me now  
I just can't look at you anymore

Just tell me what is the way that you would take to hold  
onto  
'Cause I've been lost, I've been lost for so long  
I've been lost, I've been lost for so long
