Hey lady  
Let me tell you why  
I can't live my life without you  
Every time I see you walking by I get a thrill  
You don't notice me but in time you will  
I must make you understand  
I wanna be your man  
I wanna be your man  
Yes I do  
I wanna be your man  
I wanna be your man  
The other night you pass me by  
Cause if you lookÃfÂçÂ€Â!  
All I got to say it's sealed with a kiss and a wedding  
ring  
My mind it's .. I can't see anyone but you  
Those other girls don't matter cause they can't spoil my  
view  
I must make you understand  
I wanna be your man

I wanna be your man  
Yes I do  
I wanna be your man  
I wanna be your man

I wanna wanna be your man

[Fantasia:]  
Words can never say what I feel  
Cause it's too intense  
I try I try I try I try to tell you how I feel  
.. my mind is blind I can't see anyone but you  
Those other girls don't matter cause they can't spoil my  
view  
I must make you understand

I wanna be your man  
I wanna be your man  
Yes I do  
I wanna be your man  
I wanna be your man

I wanna wanna be your man
