Hey lady, let me tell you why  
I can't live my life without you (awww baby)  
Every time I see you go walking by I get a thrill  
You don't notice me but in time you will  
I must make you understand

I wanna be your man (I wanna be your man)  
I wanna be your man (yes I do yea)  
I wanna be your man (I wanna be your man)  
I wanna be your man (wanna be your man)

Better not pass me by  
Cause if you do you'll lose a good thing (awww baby)  
Cause what I've got to say is sealed with a kiss  
And a wedding ring (wedding ring)

My mind is blind at times I can't see anyone but you  
Those other girls don't matter  
No, they can't spoil my view  
I must make you understand

I wanna be your man (I wanna be your man)  
I wanna be your man (yes I do, yea)  
I wanna be your man (I wanna be your man)  
I wanna be your man (wanna be your man)

I wanna be  
I - I wanna be your man  
I wanna be  
I-I wanna be your man

Fantasia  
Won't you let me be your man, oooo  
Words can never say what I feel  
Cause it's too intense (oh-oh-oh-oh-oh-oh-oh-oh-oh)  
I try, I try, I try, I try to tell you what I feel  
But I get mixed up ye (so mixed up)

My mind is blind at times I can't see anyone but you  
Those other guys don't matter  
Cause they cannot spoil my view

I must make you understand

I wanna be your man (I wanna be your man)

I wanna be your man (yes I do)

I wanna be your man (I wanna be your man)

I wanna be your man

I wanna be

I-I wanna be your man

\*Repeat 8x til song ends\*
