yo c, you know we need to go out and do somethin'
man
got all these hot cars and hot cribs
ain't got nobody to share it with, baby
you know what i mean? lets go

hey girl, how you doin'?
my name is charlie, last name wilson
i was wonderin' if i could take you out
show you a good time, invite you to my house
here is my number girl u can call me
and dont forget it babe my name is charlie

with all of this fortune, what am i doin single
sometimes i tell my self, "Man get out and mingle"
you don't have to be alone, you ned someone to love
but bein' famouse sometimes it's hard to find someone
to trust

but the hell with that this time, i'm gonna treat myself
being in love is good for your health
its time to share this fortune and fame with someone
else
mow that im in this club, i might as well, yeah

hey girl, how you doin'?
my name is charlie, last name wilson
i was wonderin' if i could take you out
show you a good time, invite you to my house
here is my number girl u can call me
and dont forget it babe my name is charlie

now, i aint got nobody to ride in my new coupe with
aint even got nobody to chill on the weekend
this is just a house till someone makes it a home
love dont count me out, cause i'm so all alone

but hell with that this time, im gonna treat myself
bein in love is good for your health

its time to share this fortune and fame with someone
else

now that im in this club, i might as well

hey girl, how you doin'?
my name is charlie, last name wilson
i was wonderin' if i could take you out
show you a good time, invite you to my house
here is my number girl u can call me
and dont forget it babe my name is charlie

now the reason that i laugh is because it feels like i
know you
this must be one hell of deja vu
haven't i seen you somewhere befor?
and i know you heard this somewhere else
and how i want you for sure
and thats why im introduc'in' myself, yeah

hey girl, how you doin'?
my name is charlie, last name wilson
i was wonderin' if i could take you out
show you a good time, invite you to my house
here is my number girl u can call me
and dont forget it babe my name is charlie

hey girl, how you doin'?
my name is charlie, last name wilson
i was wonderin' if i could take you out
