We feature over 450,000 music lyrics and we are one of the first free sites to add the latest lyrics as new songs come out. MetroLyrics Adopted Gracenote's authorized lyrics service making it the first lyrics dedicated web site with a licensed content. Through the agreement, MetroLyrics users can now be certain that artists, songwriters and music publishers are being properly compensated for the use of their copyrighted lyrics. Please feel free to make a request to add missing lyrics. We feature lyrics to most popular artists, including Eminem, Rihanna, Justin Timberlake, Akon, Maroon 5, Timbaland, Fergie and Gwen Stefani. Furthermore recently we've been receiving e-mails in regards to Mp3 files. We do not distribute nor produce Mp3 files. If you wish to download Mp3s on the Internet we highly urge you to visit any Mp3 download site and download Mp3s at a rate of \$1 / file which helps the music industry tremendously.
