I was rolling in my car, when I pulled up at the mall,
couldnt find a place to park threw my keys to the valet.

I was only bout a hang, wasn't lookn for a thing, I was
just about to bounce, and then I saw miss lady.
(then I said to myself)

(Chorus)

There goes my baby
There goes my destiny, onliest one for me, there goes
my baby
There goes my baby
She gone be the one, we gone fall in love and we
gonna have some babies.

She was coming out the shoe store pretty little thing, a
couple of bags in her hands, right in front of macy's

Then I saw her at the food court sipping lemonade,
conversating on her cell phone, looking so amazing.
(and I said to myself)

(Chorus)

There goes my baby
There goes my destiny, onliest one for me, there goes
my baby
There goes my baby
She gone be the one, we gone fall in love and we
gonna have some babies.

(Bridge)

She gone wear my ring
She gone take my name
Take her to the cookout
Me and her gone hang
Take her to my mama house
Meet smokey and them
And if she need her hair done said my cuzn can
Ima treat her like a queen
Give her everything
She gone be my girl til we old and gray
And I knew it from the moment that i saw her lovey

lovey face.

(Chorus)2X

There goes my baby

There goes my destiny, onliest one for me, there goes
my baby

There goes my baby

She gone be the one, we gone fall in love and we
gonna have some babies.
