She gets a life  
She looks down and I turn around  
I'm trying to be sweet but I can't stand  
This heat so I looked her eye  
And I don't know why but she kicks me in the shin and it  
effects my chin

She gets a life  
Stronger than super man  
More punk than iron maiden  
She walks away with a hot reputation  
She's over the life of copy imitation

She looks at her toes and breaks my nose  
And hospitalized she makes me  
I try to get her a rose  
But she calls me such a she  
She's like a voodoo doll  
With out the object magic call

I can't stand her even though she's a girl

She gets a life  
She's not dreaming any more  
She's got a life full of beep  
And she gets a life with me

When she pushes me in the pool  
I think of how I'll do with her  
She's mine so I should start crying

She gets a life  
Stronger than super man  
More punk than iron maiden  
She walks away with a hot reputation  
She's over the life of copy imitation

She gets a life  
She's not dreaming any more  
She's got a life full of beep  
And she gets a life with me
