I woke up in the middle of the night
Getting up yeah I had such a fright
Like a dead kid lying on the floor
But much worse and much much more
Someone special to me is gone
I know this is all wrong
All I can say is no way
It hurts more than a 200 degree day

What a sight to see
I just can't believe me
Don't want to be someone bad
Oh all the dreams that I had are all gone
Oh are all gone

7 hours later
A restaurant and waiter
The food like roller coaster
'cause I can't think of a toaster
I left after that oh not much fun
Did I have
Those cigarettes
Are worse than sugar bets
One time, two times
Can't you hear the funeral chimes

What a sight to see
I just can't believe me
Don't want to be someone bad
Oh all the dreams that I had are all gone
Oh are all gone
What a sight to see
I just can't believe me

Don't want to be someone bad
Oh all the dreams that I had

I woke up in the middle of the night
Getting up yeah I had such a fright
Like a dead kid lying on the floor
But much worse and much much more
Someone special to me is gone

I know this is all wrong
All I can say is no way
It hurts more than a 200 degree day
7 hours later
A restaurant and waiter
The food like roller coaster
'Cause I can't think of a toaster
I left after that oh not much fun
Did I have
Those cigarettes
Are worse than sugar bets
One time, two times
Can't you hear the funeral chimes
They're dinging like they're singing but I don't want
them a ringing
So get out of my way cuz you owe me a pay

What a sight to see
I just can't believe me
Don't want to be someone bad
Oh all the dreams that I had are all gone
Oh are all gone
