From the "secret garden"

A bit of earth  
She wants a little bit of earth  
She'll plant some seeds  
The seeds will grow  
The flowers bloom  
But is their bounty  
What she needs

How can she chance  
To love a little bit of earth  
Does she not know  
The earth is old  
And doesn't care if  
One small girl wants things to grow

She needs a friend  
She needs a father  
Brother, sister  
Mother's arms  
She needs to laugh  
She needs to dance  
And learn to work  
Her girlish charms

She needs a home  
The only thing she really needs  
I cannot give  
Instead she asks  
A bit of earth

To make it live

She should have a pony  
Gallop 'cross the moor  
She should have a doll's house  
With a hundred rooms per floor  
Why can't she ask for a treasure  
Something that money can buy  
That won't die  
When I'd give her the world

She asks instead  
For some earth

A bit of earth  
She wants a little bit of earth  
She'll plant some seeds  
The seeds will grow  
The flowers bloom  
Their beauty just the thing she needs

She'll grow to love the tender roses  
Lilies fair, the iris tall  
And then in fall, her bit of earth  
Will freeze and kill them all

A bit of earth, a bit of earth,  
A bit of earth, a bit of earth
