I have a vision
That no-one can imagine
I can see things that no-one else sees
I have the wisdom
Knowledge of the future
I'll take you to the end of time with me

And its a brave new world that we live in
As we lose ourselves tonight
We have no control over feelings
As we journey to the corners of our minds

Deep down inside me
Way beyond the silence
I can hear things that no-one else hears
Questions unanswered
Better left unspoken
I'll take them to the very end with me

And its a brave new world that we live in
As we lose ourselves tonight
We have no control over feelings
As we journey to the corners of our minds

oooooooo
oooo
oooooooo
oooo

And its a brave new world that we live in
As we lose ourselves tonight
We have no control over feelings
As we journey to the corners of our minds

oooooooo
oooo
Brave new world
oooooooo
oooo
Brave new world
