When love breaks up
When the dawn lights wakes up
A new life is born (ooooh, ooh, ooh)
Somehow, I have to make this final breakthru....
Now

I wake up, feel just fine
Your face, feels like mine
I get religion quick
'Cos you're looking divine

Honey you're touching something, you're touching me
I'm under your thumb, under you're spell, can't you see
If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthru - oh yeah

Breakthru, these barriers of pain
Breakthru, yeah, to the sunshine from the rain
Make my feelings known towards you
Turn my heart inside and out for you now
Somehow
I have to make this final breakthru
Now
Oh, yeah

Your smile
Speaks books to me
I break up
With each and every one of your looks at me
Honey, you're starting something, deep inside of me
Honey, you're sparking something, this fire in me
I'm outta control, I wanna rush headlong into this
ecstasy

If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthru (ooooh-ooooh, oooooh-
ooooh, oooooh-ooooh, oooooh-ooooh)

If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthru, oh yeah

Breakthru
Breakthru

Break
Hey

If I could only reach you
If I could make you smile
If I could only reach you
That would really be a breakthru (oooh-oooh, oooh-oooh, oooh-oooh, oooh-oooh)

If I could only reach you
If I could make you smile
If I could only reach you
That would really be a
Breakthru
