"Hammer To Fall"

He who grew up tall and proud
In the shadow of the mushroom cloud
Convinced our voices can't be heard
We just want to scream it louder and louder and louder

What the hell we fighting for?
Just surrender and it won't hurt at all
Just got time to say your prayers
Then it's time for the hammer to, hammer to fall
Yeah, yeah
Oooh, ooohh, oh

Yeah, yeah

Yeah, yeah
Hot, hot
Yeah
Yeah, yeah, yeah, yeah
Waiting for the hammer to, hammer to, hammer to fall

Give it to me one more time
