Don't let go
Don't lose your mystique
Wait a little longer
Tomorrow brings another feast

Don't let go
Don't lose your reputation
Thank God you're still alive, ha
You're still in one piece
Hang on in there
Don't lose your appetite
Hang on in there
Forget the danger signs

Pray for that magical moment (look straight ahead)
And it will appear (don't fight for lost emotions)
Wait for the sunrise
And everything will seem so clear
(Look straight ahead, look straight ahead)

Hang on in there (hang on in there)
Hang on in there (hang on in there)
Your wish will be granted
All your problems will disappear

Don't be a fool
You haven't reached your peak
You've got a fast car racing up inside you
Your life is incomplete

Hang on in there
Hang in there
Pray for that magical moment
And it will appear (pray for that moment)
Wait for the sunrise
Just wait and see
And it will seem so clear

Ba da, bop, be dop bop, bop, bop
Da, ba, bop, de bop, hey
And let's go, let's go

OK now do the change now

Yeah, hang in there

Hang on in there

Yeah, hang in there

Yeah
