When I worked in the mill weaving at the loom
I'd gaze absent minded at the roof
And half the time the shuttle would tangle in the
threads
And the wool'd get mixed with the woof
If I loved you

But somehow I can see
Just exactly how I'd be

If I loved you
Time and again I would try to say
All I'd want you to know
If I loved you
Words wouldn't come in an easy way
Round in circles I'd go

Longing to tell you, but afraid and shy.

I'd let my golden chances pass me by.
Soon you'd leave me.
Off you would go in the mist of day.
Never, never to know,
How I loved you, if I loved you...

Longing to tell you, but afraid and shy
I'd let my golden chances pass me by

Soon you'd leave me.
Off you would go in the mist of day
Never, never to know
How I loved you
If I loved you
