While the sun hangs in the sky and the desert has sand  
While the waves crash in the sea and meet the land  
While there's a wind and the stars and the rainbow  
Till mountains crumble into the plane  
Ooh, yes we'll keep on trying  
Tread that fine line  
Ooh, we'll keep on trying, yeah  
Just passing our time

Oooh, oooh

While we live according to race, colour or creed  
While we rule by blind madness and pure greed  
Our lives dictated by tradition, superstition, false  
religion  
Through the eons, and on and on  
Ooh yes, we'll keep on trying, yeah  
We'll tread that fine line  
Ooh, oh, we'll keep on trying  
Till the end of time  
Till the end of time

Through the sorrow all through our splendour  
Don't take offence at my innuendo
