This is a tricky situation
I've only got myself to blame
It's just a simple fact of life
But it happens to everyone

You win, you lose
It's a chance you have to take with love
Ooh yeah, I fell in love
But now you say it's over, I'm falling apart

Yeah, yeah
It's a hard life
To be true lovers together
To love and live forever in each others hearts

It's a long hard fight
To learn to care for each other
To trust in one another right from the start
When you're in love

I try and mend the broken pieces
I try to fight back the tears
It's just a simple fact of life
But it happens to everyone

How it hurts deep inside
When your love has cut you down to size
Life is tough on your own
Now I'm waiting for something to fall from the skies
I'm waiting for love

Yeah, it's a hard life
Two lovers together
To love and live forever in each others hearts

It's a long hard fight
To learn to care for each other
To trust in one another right from the start
When you're in love
