Just one year of love  
Is better than a lifetime alone  
One sentimental moment in your arms  
Is like a shooting star right through my heart  
It's always a rainy day without you  
I'm a prisoner of love inside you  
I'm falling apart all around you, yeah

My heart cries out to your heart  
I'm lonely but you can save me  
My hand reaches out for your hand  
I'm cold but you light the fire in me  
My lips search for your lips  
I'm hungry for your touch  
There's so much left unspoken  
And all I can do is surrender  
To the moment, just surrender

And no-one ever told me that love would hurt so much  
(ooh, yes it hurts)  
And pain is so close to pleasure  
And all I can do (ooh, ooh, ooh-ooh) is surrender  
To your love (ooh, ooh, ooh-ooh) just surrender to  
your love

Just one year of love  
Is better than a lifetime alone  
One sentimental moment in your arms  
Is like a shooting star right through my heart  
It's always a rainy day without you  
I'm a prisoner of love inside you  
I'm falling apart all around you  
And all I can do is surrender

And no-one ever told me that love would hurt so much  
(ooh, yes it hurts)  
And pain is so close to pleasure  
And all I can do (ooh, ooh, ooh-ooh) is surrender  
To your love (ooh, ooh, ooh-ooh) just surrender to  
your love

That I am one year of love
