I have a vision  
That no one can imagine  
I can see things  
That no one see's

I have the wisdom  
Knowledge of the future  
I'll take you to the end of time  
With me

[Chorus]  
And its a brave new world  
That we live in  
As we lose ourselves  
Tonight

We have no control  
Of our feelings  
As we journey to the corners  
Of our mind

Deep down inside me  
Way beyond the silence  
I can hear things that no one hears

Questions unanswered  
Better left unspoken  
I'll take them to the very end  
With me

[Chorus]  
And it's a brave new world  
That we live in  
As we lose ourselves  
Tonight

We have no control  
Of our feelings  
As we journey to the corners  
Of our mind

ooh....

oohh..[x2]

[Chorus]

And it's a brave new world  
That we live in  
As we lose ourselves  
Tonight

We have no control  
Of our feelings  
As we journey to the corners  
Of our mind

ooh....  
oohh..  
ooh....  
oohh..  
Brave new world..
