Don't dismay, it's ok.  
If you're spinning shaken stumbling in a daze.  
I'm the same  
Oh no, oh no, don't wanna let it show  
Oh no, oh no, but when I turn to go

Humility it's everlasting, please stay is all you're asking.  
Heart's resolve is crumbling, here I stand unravelling.  
Don't fade into the midnight,  
Unafraid of how the thread might  
Hold our hearts entwined.  
Yet, I'm unravelling

Lost myself in the wealth  
Of your subtle smile the way your shadow felt  
So leave me here  
Oh no, oh no, I'm falling like a cannonball  
Oh no, oh no, I lose you then I lose it all

Humility it's everlasting, please stay is all you're asking.  
Heart's resolve is crumbling, here I stand unravelling.  
Don't fade into the midnight,  
Unafraid of how the thread might  
Hold our hearts entwined.  
Yet, I'm unravelling

Ooohh, I'm unravelling

Oh no, oh no, I'm falling like a cannonball  
Oh no, oh no, I lose you then I lose it all

You say it's everlasting, please stay is all you're asking.  
Heart's resolve is crumbling, here I stand unravelling.  
Don't fade into the midnight,  
Unafraid of how the thread might  
Heart's resolve is crumbling, here I stand unravelling.  
You say it's everlasting, please stay is all you're asking.  
Heart's resolve is crumbling, here I stand unravelling.  
Don't fade into the midnight,

Unafraid of how the thread might  
Hold our hearts entwined.  
Yet, I'm unravelling
