Feat Chloe Myres

It's not the words that you say
That really matter to me
It's the way that you're holding me so gently
It's not the tune that is played
That keeps resounding in my head
It's the way that you touch me
I will never forget

As you lay me down
The world around is still
As you lay me down
Oh! it feels so unreal
As you lay me down
I loose myself in you
'Cause you're so beautiful
Allmost too beautiful

Another kiss and you stolen
Every thought that's in my mind
Like a deer in the headlights is paralised
You have a hold over me
And now that I am under your spell

I don't wanna be released, can't you tell?

As you lay me down
The world around is still
As you lay me down
Oh! it feels so unreal
As you lay me down
I loose myself in you
'Cause you're so beautiful
Allmost too beautiful

As you lay me down
The world around is still
As you lay me down
Oh! it feels so unreal
As you lay me down
I loose myself in you

'Cause you're so beautiful
Allmost too beautiful

As you lay me down
As you lay me down
As you lay me down
'Cause you're so beautiful
Allmost too beautiful
Lay me down
Lay me down
Lay me down
