I didn't know then  
But i know now  
You're the light of my life  
You're the one i still got on my mind  
Allright  
Gimmi your hand  
Trust me again  
I give you all i have  
Baby, i can't deny  
That you're the light of my life  
Allright  
Sometimes it feels like there nobody out there  
'n sometimes it feels like everything is wrong  
You don't know what to do 'n where to go now  
'n you wonder, what kept me here so long?  
Then i think of you  
'n what you made me into  
I'm gonna give you all i've got  
Gonna give it one more shot  
I don't wanna fight this feeling anymore now  
I don't wanna loose my faith in you my love  
But when i search my soul i find that you're still with me  
You make me tremble down inside, baby you're sent  
from above  
I think of you  
'n what you make med do  
I'm gonna give you all i've got  
Gonna give it one more shot  
I feel so small  
Without your love  
I'm lost inside  
Now can't you see  
I've got you on my mind  
You're the light of my life  
You're the light of my life  
Tell me tell me  
What you wanna do  
I'm here I'm waiting  
I'm in love with you  
I'm giving you all that i have to give  
Show me that you can forgive...  
( I'm giving you love - baby i'm here)
