I don't see this world with eyes  
That only see the things that I'm told to believe  
And I don't buy this thing about  
The sacrifice and pain caused in the name of love

Ain't no teardrops rolling down my face  
Cause there's no point in crying  
For those wasted days  
Every picture tells a differnt story  
That I can't rely on  
Don't always believe your eyes  
Don't always believe your eyes

When you're looking in the mirror  
Do you always see just what you wanna see?  
And does it tell you what you are  
Or do you think you are just what you wanna be?

Ain't no teardrops rolling down my face  
Cause there's no point in crying  
For those wasted days  
Every picture tells a differnt story  
That I can't rely on  
Don't always believe your eyes  
Don't always believe your eyes
