Come show me your hardcore feelings with your raving meanings  
'Cause I don't know the way to groove.  
I've never learned to dance this fast and I don't know how to move.  
When the beats kicking hard and the beats kicking low  
Okay I think it is unique.  
But I rather like to dance with you like we did cheek to cheek.  
Come show me your hardcore feelings with your raving meanings  
From the bottom of your soul.  
ngs with your raving meanings  
Hardcore feelings with raving meanings  
I feel I'm gonna loose control.  
When the beats kicking hard and the beats kicking low  
Would you give me one more chance.  
Hardcore feelings with raving meanings  
I feel I like to dance.  
La la la la la la...
