Ooh, ooh... yeah...

Can you hang?
Bang the party
Lemme see you jack your body

This is some strip down
Get some booty behind
Can you feel the bass line

Hitting skins
And I don't mean bongos
Strictly bumps as the charm goes jump

pump, rump a thump thump
But that's the old jam
This is the new slam joint

And I will get straight to the point
And turn your dance hall
Into a strip joint

Time to wreck shop
on the house sound
nuff respect when I
Tear the house down

(Hurt me, hurt me)
that's bad for your health
So hurt your own self

Shake it, don't break it
We can make it
Everybody get

Naked, butt naked
(Hurt your own self)
Naked, butt naked

Naked, butt naked
(Hurt your own self)
Naked, butt naked

(That's a splendid idea)

Naked, that's the mood I'm sexing
Like my bootys big like a Texan
(Big) and they like everything big
Give me that forty, let me take a swig

And I'm a get nice
Freak that body, twice
so drop the blouse and the skirt
And this the house jam
Keep on working

To the groove we'll make the walls sweat
whew! it's like a jam in the projects
Get buck wild but don't get crazy
freak that step, baby

'Cause the Charm is housing feeling
And them skins are looking
More and more appealing

Yo, Hassan! {my boy, doing back-ups}
"Shake it, girl, shake it"
On the dance floor
We could get

Naked, butt naked
(Hurt your own self)
Naked, butt naked

Naked, butt naked
(Hurt your own self)
Naked, butt naked
(Come on, come on)

Naked, naked, naked...
(Naked, butt naked)...
Feel the pulse
The beat of the street
As a fever engulfs the heat

The fever that's
Taking over your mind
And left you (deaf, dumb &) blind
To the pounding

Your body's aching
From the beatin
you keep taking

I can't take this anymore, i'm outta here
So I step to the door
But the jam just keeps on moving

Everybody in the room
Is grooving to the sound of this
The pound of this
I'm glad I found this

Around this bass
in a place where everybodys doing
Just getting into it
Off the top of their head
I won't fake it

Everybody get butt
Naked, butt naked
(Hurt your own self)
Naked, butt naked

Naked, butt naked
(Hurt your own self)
Naked, butt naked
(That's a splendid idea)

Naked, butt naked
Naked, butt naked
Naked, butt naked...
