Have you ever reached a rainbow's end?
And did you find your pot of gold
Ever catch a shooting star
And tell me how high did you soar
Ever felt like you were dreaming
Just to find that you're awake
And the magic that surrounds you
Can lift you up and guide you on your way

[Chorus:]

I can see it in the stars across
the sky
Dreamt a hundred thousand dreams before
Now I finally realize
You see I've waited all my life for this moment to arrive
And finally yeah

When you look out in the distance
You see it never was that far
Ohhh No
Heaven knows your existence
And lead you to be everything you are
Ohhh
There's a time for every soul to fly
It's in the eyes of every child

It's the hope, the love that saves the world
And ohhh we should never let it go

[Chorus]

I believe in the impossible
If I reach deep within my heart
Overcome any obstacle
Won't let this dream fall apart
See I strive to be the very best
Shine my light for all to see
Cause anything is possible
When you believe
yeah

[Chorus]

Ohh Yeah

Love keeps liftin me higher
Liftin me higher
Love keeps liftin me higher
I said love keeps liften
Love keeps liften me
I said Love keeps liften
Love keeps liften me higher
Said love keeps liften me higher
I said love keeps liften me high
