I would give up forever  
For a moment with you  
I would rather have just one day  
Than a lifetime without you

I don't care if all of my dreams  
Won't be granted by the stars  
If I could have this one wish  
To be where you are

My heart knows no surrender  
Though the sailings getting rough  
All my mind does is remember  
You're the reason I'm alive

If today you're not beside me  
Then tomorrow 'til the time  
I'll hold on to this one wish  
Someday I'll be where you are

#### CHORUS

In my life the greatest of all stories  
Are the ones together you and I made

In my life the sweetest of all moments  
Are the moments you and I shared

Yesterday was so empty  
Not a glimpse of your face  
I thought I heard someone humming  
But the voice was so faint

I am starring at our memories  
On the good things in the past  
I hold on to this one wish  
Those times won't be our last

#### REPEAT CHORUS

One wish  
That's all I'm asking for  
I would give up everything

And through it all  
No, no, no...  
I won't stop  
Until I hold you again, again...

REPEAT CHORUS

... are the moments you and I shared
