1.1 - Something Wicca This Way Comes

TO GAIN POWERS

Hear now the words of the witches
The secrets we hid in the night
The oldest of gods are invoked here
The great work of magic is sought
In this night and in this hour
I call upon the ancient power
Bring your powers to we sisters three
We want the power
Give us the power

TO KILL JEREMY

Your love wither and depart
from my life and my heart,
Let me be, Jeremy, and go away forever.

POWER OF THREE SPELL

The Power Of Three will set us free
The Power Of Three will set us free
The Power Of Three will set us free

1.2 - I've Got You Under My Skin

VANQUISH JAVNAH

Evil eyes, look unto thee
May they soon extinguished be.
Bend thy will to the power of three,
Eye of earth, evil and accursed.

1.3 - Thank You For Not Morphing

BANISH SHAPESHIFTERS

When in the circle that is home
Safety's gone and evils roam
Rid all beings from these walls
Save sisters three
Now heed our call

1.5 - Dream Sorcerer

ATTRACT MEN

I conjure thee
I conjure thee
I'm the Queen you're the bee
As I desire so shall it be

DISCOURAGE A LOVER

Your love for me shall be no more
Make your feelings only pure.
Look upon another face
Theirs will mine now replace.

1.8 - The Truth Is Out There... (And It Hurts)

TRUTH SPELL

For those who want the truth revealed
Opened hearts and secrets unsealed
For now until it's now again
After which the memory ends
Those who now are in this house
Will hear the truth from other's mouths

1.9 - The Witch Is Back

CAPTURE MATTHEW TATE

Outside of time, outside of gain
Know only sorrow, know only pain

SUMMON MELINDA WARREN

Melinda Warren
Blood of our blood
Our great, great, great, great, great, great, great
grandmother

We summon thee.

RELEASE MELINDA WARREN

Melinda Warren
Blood of our blood
We release you

1.10 - Wicca Envy

BANISH POWERS

From whence they came, return them now
Vanish the words
Banish our powers

1.13 - From Fear To Eternity

BANISH BAD LUCK

Sage so fair from far and wide,
Take my troubles and cast them aside.

1.15 - Is There A Woogy In The House?

BANISH WOOGYMAN

I am light
I am one too strong to fight
Return to dark where shadows dwell
You cannot have this Halliwell
Go away and leave my sight
And take with you this endless night

1.16 - Which Prue Is It Anyway?

MULTIPLY STRENGTH

(To multiply your strength, recite these words at length)

Take my powers blessed be
Multiply their strength by three

1.17 - That 70's Episode

UNBIND A BOND (sent them to the past)
The bond which was not to be done
Give us the power to see it undone
And turn back time to whence it was begun

RETURN TO THE PRESENT

A time for everything
And everything in it's place
Return what has been moved
Through time and space

Vanquish Nicholas
Lavender, Mimosa, Holy thistle,
Cleanse this evil from our mist,
Scatter its cells throughout time,
Let this Nick no more exist.

1.20 - The Power Of Two

BANISH A SPIRIT

Ashes to ashes, spirit to spirit
Take their soul, banish this evil

1.21 - Love Hurts

SWITCH POWERS

What's mine is yours
What's yours is mine

Let our powers cross the line
I offer up my gift to share
Switch our powers through the air.

1.22 - Deja Vu All Over Again

ACCELERATE TIME

Winds of time, gather around.
Give me wings to speed my way.
Rush me on my journey forward.
Let tomorrow be today.
