[performed by Rachael Yamagata]

Gone, she's gone.
How do you feel about it?
That's what I thought
You're real torn up about it
And I wish you the best
But I could do without it
And I will because you've worn me down
Oh, I will because you've worn me down

Worn me down like a road
I did anything you told
Worn me down to my knees
I did anything to please
But you can't stop thinking about her
No, you can't stop thinking about her

And you're wrong, you're wrong
I'm not overreacting
Something is off
Why don't we ever believe ourselves?
And lie
Oh, I, I feel that word for you
And I will because you've worn me down
Oh, I will because you 've worn me down

Worn me down like a road
I did anything you told
Worn me down to my knees
I did anything to please
But you can't stop thinking about her
No, you can't stop thinking about her

She's so pretty
She's so damn right
But I'm so tired of thinking
About her again tonight

Worn me down like a road
I did anything you told

Worn me down to my knees
I did everything to please, you
Worn me down like a road
I did everything you told me to do
But you can't stop thinking about her
No, you can't stop thinking about her
(Everything you told me to do)
No, you can't stop thinking about her
(Can't stop, stop thinking about her)
No, you can't stop thinking about her
(Everything you told me to do)
No, you can't stop thinking of her
