Can you make it easier  
For me to understand  
How you're holding my heart  
In your trembling hands?  
Eyes that rise to meet me halfway  
Up among the stars  
You may be from Venus I'm definitely not from Mars

You're an ocean you're an ocean  
Settle down settle down  
What's the commotion?  
I'm an Island  
But you're an ocean  
It's a stormy sea of love and emotion  
You got me suspended motionless in time

Make the warm wind circle round  
My head just like ya do  
If I could do it,  
I'd be doing it to you  
I believe I'd buy whatever you would sell to me  
Nothing in my life ever came with a guarantee  
You're an ocean  
You're an ocean  
Settle down settle down  
What's the commotion?  
I'm an island  
But you're an ocean  
It's a stormy sea of love and emotion  
You got me suspended motionless in time

I believe I'd buy whatever you would sell to me  
Nothing in my life ever came with a guarantee

You're an ocean  
You're an ocean  
Settle down  
Settle down  
What's the commotion?  
I'm an island  
But you're an ocean  
It's a stormy sea of love and emotion

Ya got me suspended motionless  
Ya got me suspended motionless  
Ya got me suspended motionless in time
