I'm not the best looking, I'm not the best dressed
Hey, I don't know, I've got nothin'
Give me a chance, I'm better than the rest
Hey girl, listen up, I've got nothing

You know love ain't forever
I've won the greatest prize
And I feel it's now or never
When I look into your eyes

I've got nothing, can't you see me baby?
Look into my eyes, see I'm acting crazy?
Nothing, nothing left for me
The lights are going out

I've got nothing, can't you see me baby?
Look into my eyes, see I'm acting crazy?
Nothing, nothing left in me
There's nothing in my heart but you

So I cry into my pillow when I wake from a dream
When I wake up, I've got nothing
I open my eyes, I'm nowhere to be seen
Hey girl listen up, I've still got nothing

To hear you say my name
Just once this final time
Would mean everything to me
And I want to call you mine

I've got nothing, can't you see me baby?
Look into my eyes, see I'm acting crazy?
Nothing, nothing left for me
The lights are going out

I've got nothing, can't you see me baby?
Look into my eyes, see I'm acting crazy?
Nothing, nothing left in me
There's nothing in my heart but you

If you were sunshine I'd bathe in you,
If you were ocean I'd float on through

If you were fire I'd burn, it's true
There's nothing in my heart but you
Nothing in my heart but you

I've got nothing, can't you see me baby?
Look into my eyes, see I'm acting crazy?
Nothing, nothing left for me
The lights are going out
I've got nothing, can't you see me baby?
Look into my eyes, see I'm acting crazy?
Nothing, nothing left in me
There's nothing in my heart but you
