[CHORUS]

Freight train, freight train  
Going so fast  
Freight train, freight train  
Going so fast  
I don't know what train he's on  
Won't you tell me where he's gone

Don't know where he's heading for  
What he's done against the law  
Got no future, got no hope  
Just nothing but the rope

[Repeat CHORUS]

He lost his reason, lost his life  
He killed his friend in mortal strife  
He must have moved  
Like the rolling skies  
Just a-waiting 'til he dies

[Repeat CHORUS]

When he dies, just bury him please  
Way down the end of old Chestnut Street  
Poplars at his head and feet  
And tell them he's gone to sleep

[Repeat CHORUS]
