I was up all night
Watching the stars, so bright
The room was filled with loneliness
And now everything's in mess

Happy moments, I always remeber
All the times we have together
Now that you're gone
I'm here alone, without you

[CHORUS:]
I want you to know (ooooohhh)
You'll always be a part of me
Maybe you're not the one for me
But somehow my life won't be the same
Won't be the same... without you

I missed the times we had
We Stayed up all night
Lying underneath the stars
Holding to each other very tight

[CHORUS:]
I want you to know (Want you to know)
You'll always be a part of me
Maybe you're not the one for me

But somehow my life won't be the same
Won't be the same... without you

Lonely nights
Is all I have
Love is now
So Boring...

[CHORUS:]
I want you to know (ooooohhh)
You'll always be a part of me
Maybe you're not the one for me
But somehow my life won't be the same
Won't be the same... without you

[CHORUS:]

(Lonely nights...)

I want you to know (Want you to know)

You'll always be a part of me

Maybe you're not the one for me

But somehow my life won't be the same

Won't be the same... without you

Without you...

Without you...

Uuuuuhooooo...
