Visit "[My Promise](#)" on MotoLyrics.com

I look in your eyes,
I feel a joy words can't describe.
And you clearly define my whole reason in this life.
Now, my whole world has changed,

Priorities are rearranged.
All I want to do
Is give my time and love to you.

So talk to me,
When it's all you need.
Walk with me,
I'll be by your side.

These words will hold true,
It's my promise to you.
Look to me,
I'll be there for you.

I, I promise to
Provide the best life for you.
Show you love and what's right,
So your future will be so bright.

Cause outside these four walls
Is a cruel world, girl,
I fear to show you.
Stay right here with me,
We've got each other,
That's all we need.

So talk to me,
When it's all you need.
Walk with me,
I'll be by your side.

These words will hold true,
It's my promise to you.
Look to me,
I'll be there for you.

Look to me,

I am here for you
