Follow, follow. Take what youÂ're given, assume your final role.

lÂ'm sorry my son, itÂ's a world weÂ'll never know. What is life? WhoÂ's to say what we are anyway? Some get lucky while others decay. But donÂ't worry; someday weÂ'll be there anyway. Yeah, then weÂ'll be the same. IÂ'll wait. Why do we have the time? IÂ'll wait and youÂ'll do the

same. Who are all of these people? Six billion want the same

thing. The fortunate ones? We all end up the same. What is life? ItÂ's a funny thing that you should ask;

just a series of moments that pass with a pat on the back and a reason to laugh. Some things will never change.

(ThereÂ's no) way to find a better world, (ThereÂ's no) where to go to make it easier, (ThereÂ's no) changing now, whatÂ's done is done. Pain, at least it wonÂ't be very long.

WhoÂ's to say what we are anyway? Some get lucky while others decay. But donÂ't worry; someday weÂ'll be dust anyways. Yeah, then weÂ'll look the same, lÂ'll wait.
