

## Chasing Furies "Nothing"

Visit "[Nothing](#)" on [MotoLyrics.com](https://MotoLyrics.com)

I've walked far enough  
Been on my own enough to see  
That I'm nothing without you

I've broken my heart enough  
Been torn apart enough to see  
That I'm nothing without you  
No, I can't live without you

I pushed further  
I ran faster  
But you are still here  
I kick harder  
I scream louder  
But you are still here  
'Cause I'm nothing without you  
No, I can't live without you

I've gone 'round enough  
Fallen down enough to see  
That I'm nothing without you  
No, I can't live without you

I've heard quite enough  
Been told lies enough to see  
That I'm nothing without you  
No, I can't live without you
