

## Chasing Furies "Romance Me"

Visit "[Romance Me](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Give it all  
Sell it all  
Break it all  
Lost it all in trade for you

Leave it all  
Gain it all  
Leave again  
I'll come running back to you

I would give it all away to make you happy  
I can't see the day the night romances me

Light it all  
Drink it all  
Watch it all  
Live it all the way with you

Dream it all  
Build it all  
Cry it all  
Laugh it all the way with you

We could give it all away and still be happy  
Lose the night, lose the day and run away

Until you say romance me  
Dance around the room
