Chasing Furies "Whisper Softly"

Silver shining around your eyes You thought that you'd lie and wait For me to walk beside you

Lilacs filling our senses blooming You thogut you'd lie and wait For me to whisper softly

You are mine You are mine And I'm at rest here You are mine

Moonlight indigo swoons around us You thought you'd lie and wait For me to walk beside you

Lyres ebbing their serenade You thought that you'd lie and wait For me to whisper softly
