Pull away
I was wandering
Pull away
Where have you been
Pull away
I am faltering
Pull away
How have you been
And around and around and around and around and
Wind this road that ties me here
Writhe for hearing lunge for seeing
Someone else that I'm not hoping
I'm not crazy
I'm not joking
I won't let you go

So right away
I seem to feel you near
Right away
You stand so close
Run away
I will linger here
Run away
I stand too close

And around and around and around and around and
Wind this road that ties me here
I writhe for hearing lunge for seeing
Someone else that I'm not hoping
I'm not crazy
I'm not joking
I won't let you go
Won't let you go
Won't let you go
Won't let you go
Won't let you go
Won't let you
Won't let you
Won't let you
