### Verse

I call you on the telephone  
Leave a message girl  
Cuz nobody's home  
Woke up from a dream I had  
You had gone away  
And left me with an empty bed

### Pre Chorus

And I want to know she knows I know  
That she's the only one  
And I'd give anything for forever... and ever

### Chorus

And she walks and she runs  
And I'll go where ever she goes  
To the ends of the world  
Into the darkest night  
I wish I knew a word that means more beautiful  
Than the most beautiful  
Cuz that's the only way to describe her  
To describe her

### Verse

Beautiful when she wakes up with no makeup  
In the morning light  
The sun through the curtain  
A little uncertain  
Bout the night before

### Pre Chorus

And I want to know she knows I know  
That she's the only one  
And I'd give anything for forever... and ever

### Chorus

And she walks and she runs  
And I'll go where ever she goes  
To the ends of the world  
Into the darkest night  
I wish I knew a word that means more beautiful  
Than the most beautiful

Cuz that's the only way to describe her  
To describe her

Bridge

And I want to know she knows I know  
That she's the only one  
And I'd give anything for forever... and ever

Chorus

And she walks and she runs  
And I'll go where ever she goes  
To the ends of the world  
Into the darkest night  
I wish I knew a word that means more beautiful  
Than the most beautiful  
Cuz that's the only way to describe her  
To describe her
