"12/59 Lullaby"

It's silent in the early morning the only sound is my
breathing
As i lay awake not knowing where it will be i'm going.
But i know, time moves slow at 12:59, i sing lullaby
And if you want me to sing you a song, i know that
theres a 12:59 lullaby tonight.

I'll see the next hour through, it falls to the next so
soon.
While my guitar waits for a tune, where have the songs
played gone to

And i know, time moves slow at 12:59 i sing lullabies
And if you want me to sing you a song, i know that
there's a 12:59 lullaby tonight

And if you want me to sing you a song, i know that
there's a 12:59 lullaby tonight..

A-oooh a-ooooh a-ooooh
