Are you the Brutal Heart?
Are you the Brutal Heart that I've been looking for?
Cause if you're looking for love, you can look for that
door.

Hearts.
Hearts that break the night in two.
And arms that can't hold you that true.

So useeeeeeeeeeeeeeeee me
Useeeeeeeeeeeeeeeee me

I don't mind at all.
I don't mind that you only call me when you want.
And I'm just glad you want me at all.

Hearts.
And hearts that break the night in two.
And arms that can't hold you that true.

So useeeeeeeeeeeeeeeee me
Useeeeeeeeeeeeeeeee me

So are we Brutal Hearts?
Are we Brutal Hearts that break the night in two?
Cause I just want this night with you.

Well I don't like the man
I don't like the man that I am.
But I just want this night with you.
Well then lets take this night from black to blue.
Well then lets take this night from black to blue.

Useeeeeeeeeeeeeeeee me
Useeeeeeeeeeeeeeeee me
