We parked our car on the lower east side  
And that's when she caught my eye, yeah  
She dressed so scandalous but girls like that don't  
mess with guys like us  
But I need to know her name  
When I hit \*that\* floor gonna give her more than she  
bargained for

Hey, you know  
Love how your body flows  
Hey, you know  
Let's see how far this goes  
Tensions so thick girl I can't wait  
To see how well your moves translate  
Think you're more than I can take

Now I'm staring so hard she's got to feel it  
Baby this ain't the look of love, no  
\*Chasis\* like \*a\* Cadillac  
Curves so tight that I might crash  
But, hot damn what a way to go  
We meet on the floor  
She's never seen moves like this before  
Heading for the door  
Gonna give her more than she bargained for

Hey, you know  
Love how your body flows  
Hey, you know  
Let's see how far this goes  
Tensions so thick girl I can't wait  
To see how well your moves translate  
Think you're more than I can take
