Don't look at me with sad eyes, tonight  
Can you show me one more smile  
And let the room shine through the night  
Until the bed is claimed by daylight

I saw a man standing on that hill  
Walking around like he's got no one  
Will I end up like him, all alone?  
Girl, when you go I've got no soul

Where has your soul gone to?  
Your shadow is coming through  
Where has my soul gone to?  
I'm a shadow of a man  
Yeah

Walking down these back streets  
Looking a place where we will meet  
To know that I can't ever leave, no  
Until my foot print wash to the sea

I saw a man standing on that hill  
Walking around like he's got no one  
Will I end up like him, all alone?  
Girl, when you go I've got no soul

Where has your soul gone to?  
Your shadow is coming through  
Where has my soul gone to?  
I'm a shadow of a man  
Yeah

In so far as I know  
In so far as it goes  
I will be home in too long  
I will be home in too long

I saw a man standing on that hill  
Walking around like he's got no one  
Will I end up like him, all alone?  
Girl, when you go I've got no soul

Where has your soul gone to?  
Your shadow is coming through  
Where has my soul gone to?  
I'm a shadow of a man  
Where has my soul gone to?  
Where has my soul gone to?  
Where has my soul gone to?  
I'm a shadow of a man  
Yeah
