Now here's a little tale, that I've got for you,  
About something that happened to me a couple of  
months ago,  
Now let me tell you all about it, now I don't wanna bore  
you,  
Well what's it all about, well it all started out  
when I turned on the radio.

Well it's all about a tune, that I heard one morning.  
It was a record some DJ played as I laid in bed,  
I didn't hear what he said, as I laid there yawning,  
But before too long  
that catchy little song was going round and round my  
head,  
And it went,.

Di di diddlybum, diddlybum-a-di-do  
Bi diddly-umma-dumma, diddly bumma-day  
Diddly-i-di diddly-bumma di-do, whoop diddly whoop  
whoop diddle bumma-day  
Woah, diddly-bumma, diddly-bumma, diddly-bumma,  
diddly-bumma, diddly-bumma, diddly-bumma, diddly-  
bumma-day  
Dee-dum biddly-bo, di-dum a di-do  
Whoop diddly whoop whoop diddly bumma-day.

Well I jumped out of bed, pulled on my trousers,  
With the tune on my mind all the time going round my  
head,  
Jumped in my car, drove round and round the houses,  
'Till I found a record shop,  
so I stopped at the shop, parked up, popped in, and  
said,.

Have you heard this song? I asked the girl behind the  
counter,  
I can hum a line or two, that's all I can do now miss,  
I don't know what's it called, but I bet you all about it,  
Well it must be a hit, but the only little bit I know goes  
like this,

And it goes,.

Di di diddlybum, diddlybum-a-di-do  
Bi diddly-umma-dumma, diddly bumma-day  
Diddly-i-di diddly-bumma di-do, whoop diddly whoop  
whoop diddle bumma-day  
Woah, diddly-bumma, diddly-bumma,  
diddly-bumma, diddly-bumma, diddly-bumma, diddly-  
bumma, diddly-bumma-day  
Dee-dum biddly-bo, di-dum a di-do  
Whoop diddly whoop whoop diddle bumma-day.

Well the girl couldn't help, she needed more  
information,  
So we rung up the DJ, but he said the same,  
I asked the bloke next door, and all of my relations,  
But they couldn't help at all,  
nobody could recall this tune going around my brain.

To cut a long story short, they all said they hadn't  
heard of it,  
Everybody I asked never knew what I was talking about,  
And it's driving me barmy, I can't think of a word of it,  
Well the only bit I know, I'll sing before I go  
and perhaps you could help me out.

And it goes,.

Di di diddlybum, diddlybum-a-di-do  
Bi diddly-umma-dumma, diddly bumma-day  
Diddly-i-di diddly-bumma di-do, whoop diddly whoop  
whoop diddle bumma-day  
Woah, diddly-bumma, diddly-bumma,  
diddly-bumma, diddly-bumma, diddly-bumma,  
diddly-bumma, diddly-bumma-day  
Dee-dum biddly-bo, di-dum a di-do  
Whoop diddly whoop whoop diddle bumma-day.

And,..it,,goes (final chorus)

Di di diddlybum, diddlybum-a-di-do  
Bi diddly-umma-dumma, diddly bumma-day  
Diddly-i-di diddly-bumma di-do, whoop diddly whoop  
whoop diddle bumma-day  
Woah, diddly-bumma, diddly-bumma,  
diddly-bumma, diddly-bumma, diddly-bumma, diddly-  
bumma, diddly-bumma-day  
Dee-dum biddly-bo, di-dum a di-do  
Whoop diddly whoop whoop diddle bumma-day.
