Rabbit, rabbit(repeat)

You got a beautiful chin,
You got beautiful skin,
You got a beautiful face,
You got taste

You got beautiful eyes,
You got beautiful thighs,
You got a lot, without a doubt,
But I'm thinkin' bout blowin you out,

Cos, you won't stop talking,
Why don't you give it a rest?
You got more rabbit than sainsburys
Its time you got it off your chest
Now you was just the kind of girl to break my heart in 2
CHORUS
I knew right off when I first met my eyes on you

But how was I to know you'd bend my ear holes too,
with your excessive talking,
you're becoming a PEST,

rabbit, rabbit, rabbit.....(repeat)

Now your a wonderful girl,
you got a wonderful smell,
you got wonderful arms,
you got charms

You got wonderful hair,
We make a wonderful pair,
No I don't mind havin' a chat....
But, you have to keep givin' it that,

(chorus) rabbit, rabbit, rabbit (repeat)
