"12:59 Lullaby"

Visit "[12:59 Lullaby](#)" on MotoLyrics.com

it's silent in the early morning the only sound is my
breathing
as i lay awake not knowing where it will be i'm going.
but i know, time moves slow at 12:59, i sing lullaby
and if you want me to sing you a song, i know that
theres a 12:59 lullaby tonight.

i'll see the next hour through, it falls to the next so
soon.
while my guitar waits for a tune, where have the songs
played gone to
and i know, time moves slow at 12:59 i sing lullabies
and if you want me to sing you a song, i know that
there's a 12:59 lullaby tonight

and if you want me to sing you a song, i know that
there's a 12:59 lullaby tonight..

a-oooh a-ooohh a-ooohh
