It's silent in the early morning the only sound is my breathing

As i lay awake not knowing where it will be i'm going.

But i know, time moves slow at 12:59, i sing lullaby

And if you want me to sing you a song, i know that theres a 12:59 lullaby tonight.

I'll see the next hour through, it falls to the next so soon.

While my guitar waits for a tune, where have the songs played gone to

And i know, time moves slow at 12:59 i sing lullabies

And if you want me to sing you a song, i know that there's a 12:59 lullaby tonight

And if you want me to sing you a song, i know that there's a 12:59 lullaby tonight..

A-oooh a-ooohh a-ooohh
