!! -- Guitar Intro -- !!

You know that this smile  
To go deep in my life baby  
I was born to fly,  
Over this ocean darlin'

Maybe we can try,  
Someday not later darlin'  
I learned another rhythm,  
thats over my soul.

And darling hes in town,  
Are you all around,  
And you don't know why.

Why you run around,  
With your broken bones,  
And you don't know why.

'Cause there's no secret story there.

I'm no Eloween Deowen,  
I'm no Eloween Deowen,  
I'm no Eloween Deowen.

!! -- Guitar Bridge --!!

You know in the cold,  
Lonely and on my day,  
I will take you down,  
Down to my library, maybe  
Maybe we can chat  
Someday not later darling  
Listen for the rhythm  
Sweeps over my soul  
And darling hes in town,  
Are you all around,

And you don't know why.

Why you run around,

With your broken bones,  
And you don't know why.

'Cause there's no secret story there.

I'm no Elween Deowen,  
I'm no Elween Deowen,  
I'm no Elween Deowen.

!!-- Guitar Bridge --!!

I'll know that this sound  
Go deeper than skin, baby  
I was born to fly  
Over your ocean baby  
Maybe we can try  
Someday not later darling  
I just learned a rhythm  
soothes over my soul

Darling hes in town,  
Are you all around,  
And you don't know why.

Why you run around,  
With those broken bones,  
And you don't know why.

'Cause there's no secret loving there.

I'm no Elween Deowen,  
I'm no Elween Deowen,  
I'm no Elween Deowen.

!!-- Guitar Ending --!!
