Ooooooo

Ooooooo

Ooooooo

Ooooooo

O the sun gets heavy
Sinking into the city
Burning off the day
Into are daze remains

O will follow the sun
Follow the sun
Follow the sun
Follow the sun

Ooooooo

Ooooooo

Ooooooo

Ooooooo

If God is the sunlight
You must be a flower he likes
On and on the distance
And the time it took us for this
As we follow the sun
Follow the sun
Follow the sun
Follow the sun

O when we get older
We may not have his shoulder
We are young and able
As the evening gets unstable

And we follow the sun
Follow the sun
O we follow the sun
Follow the sun

Ooooooo

Ooooooo

Ooooooo

Ooooooo
OOooooo
